

# CANYON LAKE EMERGENCY PREPAREDNESS COMMITTEE

EDUCATE | PREPARE | RESPOND | ASSIST

## OBJECTIVE

To encourage, implement, and support an emergency services response and disaster management system that protects the citizens of Canyon Lake from effects of major emergencies and disasters, while fostering a leadership vision where everyone practices sound emergency management concepts and principles that protect lives, property and environment.

Emergency Preparedness Committee

## JOIN OUR CAUSE

The Canyon Lake Emergency Preparedness Committee (CLEPC) is a group of volunteers working together to prepare the City for any disaster. There are many ways to join our cause and any contribution of time is greatly appreciated by the committee and the City of Canyon Lake.

## PARTICIPATE

Donate your time by participating in our two-hour monthly meetings in emergency response trainings. Become qualified to perform in areas such as surveys of damage, open casualty control centers, open shelters for evacuated families and maintain emergency communications.

## VOLUNTEER EXPERIENCE OR LEADERSHIP

Our staff consist of volunteer personnel throughout various areas of the community with years of experience and leadership in public safety. Do you possess skills that could beneficial to our community? Let's find out.
