**City of Canyon Lake
City Council
Staff Report**

TO: Honorable Mayor and Members of the City Council

FROM: Aaron Palmer, City Manager

DATE: June 6, 2018

SUBJECT: Review and discussion of Resolution No. 2018-16, adopting the City's Fiscal Year 2018/2019 Budget and Appropriations Limit

Recommendation:

City Council review and discuss Resolution No. 2018-16, adopting the budget, appropriating revenue and establishing the appropriations limit for Fiscal Year 2018-2019; and authorizing the City Manager to execute contracts per the budget and Municipal Code.

Background:

The attached budget for Fiscal Year 2018-2019 is presented to the City Council for review.

The historic General Fund revenue detail can be found on budget page 4, and the historic General Fund expenditure detail is on budget page 5. At the bottom of budget page 8, a pie chart identifies General Fund Expenditures by function.

Budget page 9, entitled Fund Balance Summary, of the proposed 2018-2019 budget identifies the City's projected General Fund fund balance at \$3,850,000 at June 30, 2018 (unaudited).

The budget indicates General Fund revenues are estimated to be \$5,005,880 for Fiscal Year 2018-2019. Estimated General Fund expenditures are \$5,563,908. The projected fund balance at June 30, 2019 is \$3,311,077. The budget reflects a General Fund deficit of \$558,028 for Fiscal Year 2018-19. Included in the proposed expenditures are \$20,000 for elections services and \$7,000 for an electronic gate at the City's Fire Station. Also included in Fiscal Year 2018-19 are additional costs over the prior fiscal year for fire protection services of \$768,550, which is the result of the requirement for a three person engine company.

The major changes from the Fiscal Year 2017-18 budget are as follows:

- Increase of \$24,800 in Property Taxes, based on assessed value growth
- Increase of \$35,090 in Property Tax VLF based assessed value growth
- Increase of \$15,930 in Fire Structure Fees based on actual FY 2017-18 amounts and assessed values

- Increased the City Clerk Department Budget \$15,806, which includes \$20,000 for election services.
- Decreased the Finance Department Budget by \$26,395 prior year included \$30,000 for a consultant for a User Fee Study
- Increased the Building & Safety Department Budget by \$60,060 as a result of the increase in the projected revenues for Construction and Building Permit Revenues
- Increased the Law Enforcement Budget \$74,640. This is a 4.45% increase as requested from the County of Riverside.
- Increased the Fire Budget \$773,770 to \$2,230,870 to reflect the new Cooperative agreement amount and going to a three person engine company as required by Riverside County.
- Decreased the Animal Control Department Budget by \$55,010, \$41,010 in debt service costs and \$14,000 in sheltering costs as a result of the City of Canyon Lake's percentage of animal count for 2017 decreasing from 2016.
- Decreased the Public Works Administration Department Budget by \$50,300 as the City has completed several much needed projects and should be just routine maintenance going forward
- Decreased the Special Enforcement Budget \$40,596, the decrease is the result of the prior year budget including \$60,000 for a purchase of a vehicle, offset by an increase in salary and benefits that were charged to a different department in the prior fiscal year.
- For the Gas Tax Special Revenue Fund there is a decrease of \$576,940 in expenditures as the slurry seal project for Railroad Canyon Road was completed. There is an increase in revenues as it relates to SB1 of \$120,000
- For the AQMD Special Revenue Fund there are no proposed expenditures at this time, Staff will research new projects and bring them to the Council during the fiscal year
- In the Capital Projects Fund there are no proposed projects at this time

City of Canyon Lake
Revenue Overview
Fiscal Year 2018-2019

Revenue estimates are developed by the City of Canyon Lake Finance Department with input from various sources. The estimates were developed using actual revenue data received during fiscal year 2018-2019, previous fiscal year averages, assistance from the Riverside County Assessor's Office and general economic factors.

Explanation of major revenue sources are as follows:

General Fund

Property Taxes – Property taxes include Secured and Unsecured Property Taxes, Penalties and Interest, and Supplemental Property Taxes. The valuation of the property within the City is determined by the Riverside County Tax Assessor. The County levies a base tax for secured property at the rate of 1% of the assessed valuation.

Fire Structure Tax – Property taxes received from the County to be used for the cost of fire protection services.

Motor Vehicle in Lieu/VLF Swap – The Motor Vehicle in Lieu Fee, or VLF, revenue has undergone major changes by the State of California in recent years. VLF is currently calculated at a percentage of a vehicle's market value and adjusted for depreciation. The fees are paid annually to the Department of Motor Vehicles at registration and renewal. The fee is imposed by the State "in-lieu" of local property taxes on the vehicle. This portion of the revenue is located in Intergovernmental Revenues.

Proposition 1A, approved by voters in 2004, has altered the VLF funding as the State has eliminated money from the VLF backfill, and then decreased the rates. Cities and counties receive an equal amount, or "swap" in property taxes. This revenue is located just under the property taxes.

Sales Tax – Sales and Use Taxes are imposed on retail transactions and are collected and administered by the State Board of Equalization. In accordance with the California Revenue and Taxation Code, the State of California imposes a tax of 8%, plus .5% in Riverside County for Measure A, for a total of 8.5% on all taxable sales. Of the 8.5% the City receives 1%.

Franchise Fees – A franchise fee is charged for the privilege of using public right-of-way and property within the City for public or private purposes.

Utility Users Tax – A Utility Users Tax (UUT) is a tax on certain utility bills. The UUT is levied by the City on the consumer of the utility services, collected by the utility as part of its regular billing procedure, and then remitted monthly to the City. The UUT was approved by the voters on the November 4, 2014 election. The rate is 3.95% percent and expires after six years.

Licenses, Permits and Fees – These charges are directly charged to individuals for specific services rendered by the City. They include charges to process or issue building permits and the costs to conduct engineering and planning reviews of any building project undertaken by a licensed contractor or private property owner.

Other Funds

Gas Tax – The State of California assesses a tax on gasoline purchases as authorized by Sections 2103, 2105, 2106, 2107, and 2107.5 of the California Streets and Highway Code. A portion of the tax is allocated back to the City based on a per capital formula. The use of the money is limited to maintenance, rehabilitation, or improvement of public streets.

Measure A – Measure A is generated by a Riverside County one-half percent sales tax approved by the voters in 1989 and was extended in 2002. This money is used to maintain and construct local street and road improvements through 2039.

AQMD – The City receives AB 2766 funds to implement programs that reduce air pollution from motor vehicles. A Motor Vehicle Registration fee surcharge of \$6 is collected the Department of Motor Vehicles and subvned to the South Coast Air Quality Management District for disbursement. Of this amount 40% of \$4 of the fee go to local governments (subvention portion).

CalCOPS – The City receives funding from the State of California under the Local Law Enforcement Services Act to use for front line law enforcement services.
