Revenue and Establishing the Appropriations Limit for Fiscal Year 2021-2022; Adoption of resolution No. 2021-31, Approving the Salary and Wage Schedule for Employees of the City of Canyon Lake for Fiscal Year

2021-22

#### **Recommendation**

That the City Council City Council:

- 1. Adopt Resolution No. 2021-30, approving the budget, appropriating revenue, and establishing the appropriations limit for Fiscal Year 2021-22; and authorizing the City Manager to execute contracts per the budget and Municipal Code; and
- 2. Adopt Resolution No. 2021-31, Approving the Salary and Wage Schedule for Employees of the City of Canyon Lake for Fiscal Year 2021-22.

#### **Background**

The attached budget for Fiscal Year 2021-22 is presented to the City Council for review. In addition, the City Council approves the salary and wage schedule for employees each year. The City Manager has reviewed the positions and organizational structure of the City and identified the positions necessary. For Fiscal Year 2021-22 the Salary and Wages Steps were adjusted for inflation using the March 2020 to March 2021 CPI Change.

The historic General Fund revenue detail can be found on budget page 4, and the historic General Fund expenditure detail is on budget page 5. At the bottom of budget page 8, a pie chart identifies General Fund Expenditures by function.

Budget page 9, entitled Fund Balance Summary, of the proposed 2021-22 budget identifies the City's projected General Fund fund balance at \$4,240,000 on June 30, 2021 (unaudited).

General Fund revenues are estimated to be \$6,878,700 for Fiscal Year 2021-22. Estimated General Fund expenditures are \$7,450,816. The projected fund balance on June 30, 2022 is \$3,667,884. The budget reflects a General Fund deficit of \$572,116 for Fiscal Year 2021-22. Included in Fiscal Year 2021-22 are projected Fire Department startup costs of \$735,470. Without these startup costs, there would be a projected General Fund Surplus of approximately \$163,000. Once these one-time startup costs are complete, the Canyon Lake Fire Department's ongoing annual budget in future years is estimated to be approximately \$1.7 million, which represents a significant savings over projected costs to contract with the County for fire service.

The major changes from the Fiscal Year 2020-21 budget are as follows:

- Increase of \$85,200 in Property Taxes/Fire Structure Fee, based on assessed value growth.
- Increase of \$19,400 in Property Tax VLF based assessed value growth.
- Increase of \$50,000 in Utility Users Tax based on actual FY 2020-21 amounts.
- Increase in the City Council's Department of \$35,000, which includes an increase of \$4,000 for the Veterans Day Celebration, \$7,500 for video production and \$22,000 for Memorial Park updates (carried over from FY 2019-20 budget).

- Increase in the City Manager's Department of \$133,000, for Salaries and Benefits of \$45,676, \$10,000 for WRCOG Fellow, and Insurance costs of \$24,900.
- Decrease in the City Clerk's Department of \$30,273, due to a reduction in election costs.
- Increase in the Finance Department of \$86,463. This includes \$36,273 for the unfunded PERS UAL which is being charged 100% in Finance this year, an increase of \$9,600 for contract accounting, \$30,000 for ARP consultant (paid for by ARP grant funding) and \$5,000 for UUT audit.
- Increase in the Planning Department of \$99,000, which includes increases for Housing Element, Specific Plan, and Safety Plan.
- Increase in the Building & Safety Department of \$24,500 due to a projected increase in activity and Building Permit revenues.
- Increased the Law Enforcement Budget by \$141,000 after transfers out to the CalCOPS Fund of \$180,000 in FY 2021-22. The Police Services portion of the contract increased by \$93,260.
- Decreased the Fire Budget for Riverside County Cal Fire Contract by \$1,190,500 due to the Contract being only for six months.
- The City is establishing its own Fire Department with the expected start date of January 1, 2022, included in the FY 2021-22 Budget is \$1,693,100 with \$735,470 of startup costs.
- Increase in the Emergency Preparedness Budget for \$25,000 for the EMD Contract with the County.
- Decrease in the Animal Control Department Budget by \$22,500 for sheltering costs because of a decrease in Canyon Lake activity.

#### City of Canyon Lake Revenue Overview Fiscal Year 2021-2022

Revenue estimates are developed by the City of Canyon Lake Finance Department with input from various sources. The estimates were developed using actual revenue data received during fiscal year 2020-2021, previous fiscal year averages, assistance from the Riverside County Assessor's Office and general economic factors.

Explanation of major revenue sources are as follows:

#### **General Fund**

<u>Property Taxes</u> – Property taxes include Secured and Unsecured Property Taxes, Penalties and Interest, and Supplemental Property Taxes. The valuation of the property within the City is determined by the Riverside County Tax Assessor. The County levies a base tax for secured property at the rate of 1% of the assessed valuation.

<u>Fire Structure Tax</u> – Property taxes received from the County to be used for the cost of fire protection services.

Motor Vehicle in Lieu/VLF Swap – The Motor Vehicle in Lieu Fee, or VLF, revenue has undergone major changes by the State of California in recent years. VLF is currently calculated at a percentage of a vehicle's market value and adjusted for depreciation. The fees are paid annually to the Department of Motor Vehicles at registration and renewal. The fee is imposed by the State "in-lieu" of local property taxes on the vehicle. This portion of the revenue is located in Intergovernmental Revenues.

Proposition 1A, approved by voters in 2004, has altered the VLF funding as the State has eliminated money from the VLF backfill, and then decreased the rates. Cities and counties receive an equal amount, or "swap" in property taxes. This revenue is located just under the property taxes.

<u>Sales Tax</u> – Sales and Use Taxes are imposed on retail transactions and are collected and administered by the State Board of Equalization. In accordance with the California Revenue and Taxation Code, the State of California imposes a tax of 8%, plus .5% in Riverside County for Measure A, for a total of 8.5% on all taxable sales. Of the 8.5% the City receives 1%.

<u>Franchise Fees</u> – A franchise fee is charged for the privilege of using public right-of-way and property within the City for public or private purposes.

<u>Utility Users Tax</u> – A Utility Users Tax (UUT) is a tax on certain utility bills. The UUT is levied by the City on the consumer of the utility services, collected by the utility as part of its regular billing procedure, and then remitted monthly to the City. The UUT was approved by the voters on the November 4, 2014 election. The rate is 3.95% percent and on the November 6, 2018 Election the residents voted to make the UUT a permanent tax with no expiration.

<u>Licenses, Permits and Fees</u> – These charges are directly charged to individuals for specific services rendered by the City. They include charges to process or issue building permits and the costs to conduct engineering and planning reviews of any building project undertaken by a licensed contractor or private property owner.

EMS Subscription Program – The EMS Subscription Program is designed to protect Canyon Lake residents and businesses from out-of-pocket expenses related to emergency medical care provided by the City through a contract with Riverside County Fire Department/Cal Fire. The subscription program assures residents and businesses of the City of Canyon Lake the same high level of service and care without additional out of pocket costs should emergency medical services be needed.

It is a per patient, per call fee for Emergency Medical Services (EMS). The fee applies to residents and non-residents alike. The current fee is \$1,483 per call.

The City Council resolution which establishes the User Fee for emergency medical services provided by the Fire Department also establishes a Subscription Fee as an option for Canyon Lake residents and business as a way to protect themselves from unexpected out-of-pocket expenses related to emergency care. By subscribing for only \$16 per month, everyone in the household can be covered without having to worry about receiving a bill should services be needed.

#### Other Funds

<u>Gas Tax</u> – The State of California assesses a tax on gasoline purchases as authorized by Sections 2103, 2105, 2106, 2107, and 2107.5 of the California Streets and Highway Code. A portion of the tax is allocated back to the City based on a per capital formula. The use of the money is limited to maintenance, rehabilitation, or improvement of public streets.

<u>Measure A</u> – Measure A is generated by a Riverside County one-half percent sales tax approved by the voters in 1989 and was extended in 2002. This money is used to maintain and construct local street and road improvements through 2039.

<u>AQMD</u> – The City receives AB 2766 funds to implement programs that reduce air pollution from motor vehicles. A Motor Vehicle Registration fee surcharge of \$6 is collected the Department of Motor Vehicles and subvened to the South Coast Air Quality Management District for disbursement. Of this amount 40% of \$4 of the fee go to local governments (subvention portion).

<u>CalCOPS</u> – The City receives funding from the State of California under the Local Law Enforcement Services Act to use for front line law enforcement services.
